# WSIPC RFP 16-04
## Addendum 1
November 23, 2016

The following corrections, questions, and clarifications are provided concerning WSIPC RFP 16-02. Paraphrasing of the relevant questions posed to the WSIPC RFP Coordinator have been included as appropriate.

## CORRECTIONS TO RFP LANGUAGE:

Exhibit B Section System support endpoint assurance should read: **"System supports endpoint assurance "** instead of **System support endpoint assurance**.

## QUESTIONS AND CLARIFICATIONS:

Q1.1     Would it be appropriate to include Wireless solutions that includes other pieces required to make the solution function, as there is multiple component from cabling to switching and management?

*A1.1     The answer is yes.*

Q1.2     How do you see WSIPC Wireless Solutions contract being used by School Districts in the next 3-4 years while the E-Rate program is funding Wireless Solutions?

*A1.2     The contract awarded will be the basis for generating the responses to District 470 Applications.*
