APPENDIX B - PROPOSAL FORM

WSIPC RFP 21-03 Decontamination, Disinfecting, and Sanitizing Supplies, Equipment, and Services

TO: WSIPC
Cynthia Gefeller, Contract Administrator
2121 W. Casino Road
Everett, Washington 98204-1472

RE: RFP No. 21-03

In response to your RFP, the undersigned offers to furnish all of the Goods and Services described in the Technical Specifications in accordance with the Contract Documents and any Addenda thereto and for the prices and in accordance with the delivery schedule set forth in the attached Schedule of Prices.

By submitting a Proposal, the undersigned certifies and agrees that:

1. The undersigned has examined to its satisfaction, and is fully familiar with and understands all provisions of the Contract Documents and any Addenda.
2. All of the words and figures shown in the attached response are accurate;
3. All statements in this Proposal are true and accurate;
4. By careful examination of the Contract and proposal documents, all Addenda thereto and all other pertinent conditions and matters, the undersigned has satisfied itself as to the nature, location, character, quality and quantity of the Goods and Services required by the Contract Documents and the conditions and other matters that may affect performance;
5. If awarded the Contract, the undersigned will duly execute and deliver to WSIPC the Contract, together with all documents required by the proposal documents, within ten (10) business days after it is presented to the undersigned by WSIPC.

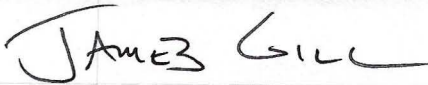

6. WSIPC has no obligation to accept any proposal submitted in response to the RFP and may reject any or all such Proposals (including, without limitation, the undersigned's Proposal) or waive any informalities or irregularities in any proposal or the proposal process.

Is there any pending litigation against your company?

No

No ✓

Yes

If you selected Yes, please provide a full explanation:

Has your company ever been or is now on the WA State debarred contractor list?

No ✓

Yes

If you selected Yes, please provide a full explanation:

2. Organizational Experience

Describe your company's experience in providing product and/or services. This includes your experience providing services to the K-12 educational and public sector. Include evidence of minimum sales of \$500,000.00 in the last 18 months to educational customers.

Provided PPE supplies (hand sanitizer & disinfectant equipment) to Long Beach USD, Rialto USD, Montebello USD, University of North Dakota, West Virginia University, & more
total awarded contract value of the schools listed above: \$1,400,000

3. Customer Base

Describe the demographics of your company's customer base.

Public & Private schools & universities, K-12 & beyond.
Government agencies & municipalities.

4. Customer Support Model

Describe in detail your customer support model:

We have a dedicated customer service team answering calls and emails 24/7.

What are your customer help/information response times?

our service team will respond within 30 minutes of notice

Describe your customer help/information access:

All product specifications, information and FAQs are listed on our site, www.standupstations.com

Describe your account representative's role:

Director of Business Development manages all communication and contract execution with primary accounts.

How many employees staff your customer support help desk?

3

5. References

Provide three (3) references from customers who have received product and/or services for more than three (3) years.

Reference #1 John Juan Rodriguez

Telephone Number 909-873-4326

6. Brand Name

State the brand name of the hardware, software, or services you are offering in the proposal. Vendors that represent more than one brand are not required to submit a separate proposal for each brand name.

Stand Up Stations

Lysol

7. Marketing Model

Describe your company's marketing model that will be used to market the proposed solution(s) to educational and/or public agencies.

We use standard ecommerce/online advertising methods as well as cold calls, emails, and tradeshow marketing

8. Ability to Meet Delivery of Product or Service

The Proposer agrees that all goods are to be shipped by Proposer, at no additional charge to Purchaser, FOB Destination. Where specific authority is granted to ship goods FOB shipping point, Vendor agrees to prepay all shipping charges, route as instructed or if instructions are not provided, route through the cheapest common carrier, and bill Purchaser as a separate item on the invoice for said charges. Proposer also agrees that Purchaser reserves the right to refuse COD shipments.

If delivery is not made in the quantities and at the times specified, Purchaser shall have the right, at its option, to cancel the entire order or that part of same that is not so delivered. If Purchaser accepts delayed delivery the time of payment shall be extended accordingly.

Proposer may charge eligible Purchasers for express shipping when requested by the eligible Purchaser. A packing list must be furnished with each shipment that includes the eligible Purchaser's name, purchase order number, contact number, quantity and other pertinent information.

Do you agree to the statement above?

Yes

9. Price Reduction Protection

If the quoted price is reduced between the time the quotation is provided to the customer and the time the Vendor's agent receives the customer's purchase order, the customer shall receive the benefit of the price reduction. All price reductions posted by the Vendor must be passed on to the customer. In no event shall the Vendor's agent hold customer orders in anticipation of a price reduction and then not pass on the price reduction to the customer.

Do you agree to the statement above?

Yes

10. Use of Third Party Vendors

The Proposer must state whether third-party Vendors are, or are not, being used. If used, third-party Vendors must be listed in the Proposer's response. Changes in third-party participation in the Proposer's solution during the course of the contract must be reviewed with and approved by WSIPC.

Are Third-party Vendors being used?

Yes

No

If you selected Yes, list Vendors below

United Medco (Lysol products only)

11. Agent Re-seller Usage

If Agent Re-sellers are proposed, the Proposer must describe what hardware or services they will provide, how they are certified, how they are contractually bound to the contract terms and conditions, and how their sales will be accurately tracked and reported.

Are Agent Re-sellers proposed? Yes

No

If you selected Yes, answer the following questions:

What hardware or services they will provide?

How are they certified?

How are they contractually bound to the contract terms and conditions?

How will their sales be accurately tracked and reported?

12. Subcontractor Qualifications

If Subcontractors are proposed, the Proposer must describe what services the Subcontractor will perform. The Proposer shall also assure that they will not assign or transfer any of its rights or obligations under the purchasing contract. The Proposer additionally assures that Subcontractors are in good standing with the Washington Department of Revenue and the Department of Labor and Industries.

Are Subcontractors proposed?

Yes

No

If you selected Yes, answer the following questions:

Describe what services the Subcontractors will perform:

The Proposer assures that the Vendor will not assign or transfer to Subcontractors any of its rights or obligations under the purchasing contract.

Yes

No

The Proposer assures that Subcontractors are in good standing with the Washington Department of Revenue and the Department of Labor and Industries.

Yes

No

13. Minimum Product Sales Volume

The Proposer must demonstrate to WSIPC’s satisfaction its ability to adequately manage the projected sales volume of this optional use contract. The Proposer’s RFP response must state the Vendor’s 2020 sales volume within the category established in this RFP.

Demonstrate your ability to adequately manage the projected sales volume of this optional use contract.

State the Vendor’s 2020 sales volume within the category established in this RFP.

\$13,763,327

14. Eligibility for Participation in Federal Programs

The Proposer should provide the Vendor’s System for Award Management (SAM) registration number as evidence of eligibility to participate in federal programs with its proposal. If the Proposer is not already registered for the SAM, it may do so at the System for Award Management website (<https://www.sam.gov/SAM/>). The Proposer should assert that neither the Vendor, nor any of its Subcontractors, have been debarred or suspended, or proposed for debarment or suspension. The Proposer should also assert that the Vendor is in compliance with all other Washington State Public Works Requirements.

Vendor’s System for Award Management (SAM) registration number: 117518098

The Proposer asserts that neither the Vendor, nor any of its Subcontractors, have been debarred or suspended, or proposed for debarment or suspension.

Yes

No

The Proposer asserts that the Vendor is in compliance with all other Washington State Public Works Requirements.

Yes

No

15. Prior Contract Performance

If the Vendor has had a contract terminated for default during the past five years, the Proposer must describe all such incidents. Termination for default is defined as notice to stop performance due to the Vendor’s non-performance or poor performance and the issue was either: (a) not litigated; or (b) litigated and such litigation determined the Vendor to be in default.

Submit full details of all terminations for default experienced by the Vendor in the past five years including the other party's name, address, and telephone number. Present the Vendor’s position on the matter. WSIPC will evaluate the facts and may, at its sole discretion, reject the Proposer’s proposal if the facts discovered indicate

that completion of a contract resulting from this RFP may be jeopardized by selection of the Vendor.

Has the Vendor had a contract terminated for default during the past five years?

**Ye
s**

No ✓

If you selected Yes, answer the following questions:

Instance #1:

Other party's name

Other party's address

Other party's telephone number

Provide full details of the termination for default experienced by the Vendor

Present the Vendor's position on the matter

Instance #2:

Other party's name

Other party's address

Other party's telephone number

Provide full details of the termination for default experienced by the Vendor

Present the Vendor's position on the matter

APPENDIX D - PRODUCT/SERVICE REQUIREMENTS

WSIPC RFP 21-03 Decontamination, Disinfecting, and Sanitizing Supplies, Equipment, and Services

INSTRUCTIONS

Please answer each requirement based on the proposed solution's ability to satisfy the respective requirement. If the requirement cannot be met and warrants further explanation, a brief explanation may be provided in the "Comments" column. The following scoring system should be used to evaluate each business requirement:

Response Code	Definition
Y—Yes	Requirement is met.
N—No	Requirement is not met.
Q—Qualifier	Ability to meet requirement requires further explanation from Vendor. Please use the "Comment" column to provide more details.

GENERAL

Requirements/Specifications	Yes	No	Q	Comment (Required if "Q" is selected)
Product/Service Usage - The product and/or service is used by other Washington State K-12 school districts and has an active Washington State user community.	✓			
Documentation - Describe access to operational, instructional, and/or specification sheets. It is highly desirable that this type of information be available to customers electronically via the internet (preferred) or other electronic means of delivery.	✓			
Shipping Costs - All costs for shipping to the buyer's location, must be clearly stated on price lists and promotional materials, and must be clearly described in the Proposer's response to this RFP.	✓			
Vendor Website - The Proposer must have an active website with published product and/or service information.	✓			

TECHNICAL/FUNCTIONAL REQUIREMENTS

Requirements/Specifications	Yes	No	Q	Explanation (Required if "Q" is selected)
EPA Approved.	✓			
Low toxicity ratings without harmful chemical residue.	✓			
Eliminates all microbiological containments.	✓			

Requirements/Specifications	Yes	No	Q	Explanation (Required if "Q" is selected)
24/7 protection.			✓	Our products have varying duration guarantees.
Offers a wide variety of disinfection treatments like electrostatic sprayers, dry fogging, wet fogging, chemical foaming, UV lights, air purifiers, etc.		✓		
Bio burden reduction of 90% or better.	✓			
Minimal downtime.	✓			
Treatment solution is quick and efficient.	✓			
Microbial swabbing and testing.		✓		
Minimal environmental impact.	✓			
If offering services, they must be customizable to meet the needs of customer.	✓

APPENDIX E - VENDOR COST PROPOSAL

WSIPC RFP 21-03 Decontamination, Disinfecting, and Sanitizing Supplies, Equipment, and Services

The Proposer must provide the Vendor's Cost Proposal for this RFP by submitting their own document.

The Vendor Cost Proposal document outlines the ability of the Vendor to provide clear pricing and discount information on the products and/or services submitted in this proposal.

Discounts (percentage or dollar) must be based on product and/or services MSRP.

Vendors are required to identify WSIPC Cooperative discount pricing for each product/service or product/service category. Discounts should be noted in a separate column.

Models that do not respond predictably to market fluctuations over time may be disqualified.
