[COMING SOON] IEP Online 3.0

To meet the new and growing needs of Washington School Districts as the demands for student outcomes and compliance expand, PCG along with WSIPC, ESDs and Washington School Districts are working together in developing the new upgraded IEP Online 3.0 using technological advancements to provide a proficient user experience. IEP Online 3.0 will include the same features currently in IEP Online 2.0, in addition to new features which districts requested and identified as critical needs:

Enhanced benefits of IEP Online 3.0

- Improved, modernized user interface
- Independent 504 & IEP workflows and timelines
- Role-based user types and user impersonation feature
- Merge student records capability (not just swap)
- State-of-the-art advanced reporting and data analysis capabilities
- Ability to schedule reports
- Improved integration and data propagation between modules
- Increased translation options
- Advanced Find Student Screen

Examples of continued benefits

- Student transfer (IDT)
- Compliance checks
- Electronic signature
- Integration with Student Information Systems
- Imports
- Writeback
- IEP at a Glance
- Reminder Emails

- **IEP Online for Special Education and 504** IEP Online is an intuitive special education and 504 management solution that enables educators to position students for success.

- **Behavioral Threat Assessment** Designed to manage entrusts schools with software to manage threats to others and/or self with student mental health and well-being in mind.

- **IEP Online Translation** IEP Online Translation is a cost-effective tool that empowers districts and schools to provide student documentation to parents in their native language.
 - **[NEW] Translation Flat Rate Pricing** To find out more about **Flat Rate Pricing** options, contact customersupport@pcgus.com.

- **PCG Medicaid Services** EasyTrac™ simplifies service documentation and puts data at administrators' fingertips to effectively monitor and analyze service documentation and delivery.

- **EDPlan Progress Track™** Improves student outcomes through consistent data collection across the district, trend tracking, and robust reporting.

- **IEP Online Connect Parent Portal** PCG's parent portal allows families to access documents as well as sign documents securely. Connect is designed to help districts, administrators, and educators promote family involvement in a child's education.

- **EDPlan Insight** Designed to help districts, administrators, and educators leverage data to positively impact student learning, promote teacher effectiveness, and gain meaning insights into school improvement initiatives.
