PURCHASING PROGRAM

From Your WSIPC Cooperative

Your WSIPC Cooperative Purchasing Program connects education and public agencies to a network of technology partners, leveraging the power of the WSIPC Cooperative to provide competitively bid goods and services at a reasonable cost.

Every vendor who becomes a part of the WSIPC Cooperative Purchasing Program has been awarded a bid contract through an official RFP process in compliance with Washington State Procurement RCWs.

- To utilize WSIPC Purchasing Program contracts, entities must have an active purchasing Interlocal Agreement (ILA) in place with WSIPC. Visit wsipc.org/interlocal-agreements to view a list of all active ILAs.

  ✓ To complete an Interlocal Agreement, please contact Cynthia Gefeller, WSIPC Contract Administrator, at cgefeller@wsipc.org.

- Include the WSIPC RFP contract number on all vendor communications, requests for pricing, proposals, and purchase orders.
